Job Vacancy

Estimator

Location: Solihull, West Midlands
Hours Of Work: 40 Hours per week, Monday to Friday
Salary: Competitive + Bonus Scheme

WB Timber Innovations, part of the Keystone & Wyckham Blackwell Group of Companies, is seeking a Timber Frame/SIPs Estimator to join the team based at their Manufacturing & Design facility in Solihull. We are looking for an individual with a strong Timber Frame/SIPs estimating or design background, ideally with experience within the offsite manufacturing industry. You will be an integral part of a successful team delivering bespoke off-site build projects to a growing market.

Your responsibilities will include:

Timber Innovations design, manufacture and supply complete insulated Timber Frame and SIP's projects to the self build and commercial markets, with a particular focus on low energy/Passivhaus projects.

You will be responsible for developing our strong pipeline of new enquiries into orders to exceed agreed targets and ensure the highest levels of customer service.

Key Responsibilities:

- Interpret customer requirement and produce estimates following client/architect drawings.
- Prepare detailed quotations as required.
- Liaise with customers and provide a knowledgeable service.
- Liaise with colleagues to ensure estimates take into consideration costs, targets, and manufacturing capacity & capability.
- Attend meetings both in person and video conferencing.
- Work closely with the sales team to secure new business.

What do we offer?

We work to continuously improve our exciting reward package, taking into consideration the view of every single employee to make sure we remain an industry leader.

Some of the highlights of the fantastic benefits and rewards you can expect include:

- 30 Days holiday per year (inclusive of bank holidays) Jan to Dec.
- Keystaff rewards.
- Performance Bonus - monthly.
- Employee referral scheme.
- Continuous training & development scheme.

Applications
